

The smart way to learn about your health

Aetna SmartSourceSM

Getting the right information is important to getting the care that's right for you. Now there's a tool that locates just what you need to make important decisions about your health.

It's called **Aetna SmartSource**,* and it will change the way you research conditions, symptoms and more. Unlike most search engines and general health websites, Aetna SmartSource delivers information that's specific to you based on where you live, your selected Aetna[†] health benefits/insurance plan and other information.

No more health information scavenger hunts

With just one search, Aetna SmartSource gives you relevant information to make important decisions about caring for your health needs.

Simply enter a condition or symptom. Aetna SmartSource does the work for you, scanning Aetna's vast resources to bring you:**

- Doctors in your local area that specialize in treating your condition — and who participate in your health plan

Be smart! Let Aetna SmartSource show you what you need to know about your health.

The one source for health information that's specific to you and your condition.

- Commonly prescribed medications and treatment options associated with your condition
- Estimated health care costs
- Aetna programs and discounts that may help you manage your health needs
- Easy-to-understand health articles and tips

Get a handy visual diagram of your search results

Aetna SmartSource provides your search results in a HealthMap[®], a handy visual diagram that helps you gain a deeper understanding of the condition or symptom you're searching for.

With the HealthMap, you'll see the full spectrum of your health topic — including symptoms, treatment options, preventive steps and more — to help you see and plan for the road ahead.

You can access Aetna SmartSource through Aetna Navigator[®], Simple Steps To A Healthier Life[®], or your Personal Health Record, if these tools are available to you.

*Check with your employer to see when Aetna SmartSource will be available to you.

**If you are not enrolled in an Aetna plan, you may not receive doctors, health costs, or Aetna programs and discounts in your search results.
